# Bolton Music Service - about us...

Bolton Music Service works with all sectors of the local community in Bolton and Blackburn with Darwen, to increase access to quality music making, to raise standards of music education across all schools and academies, and to provide exciting musical pathways for children through tuition and music ensembles.

We are teaching around 10,000 children weekly to play a musical instrument, teaching the music curriculum in over a third of our local primary schools and running 45 weekly out-of-school bands, choirs and orchestras. Many of our students come through the Music Service and then go on to play in regional ensembles such as the Hallé Youth Orchestra and the Greater Manchester Youth Brass Band and in national groups including the National Youth Choir, Brass Band and Orchestra.

We pride ourselves in looking after the needs of each child and providing the specialist tuition required for each child to realise their potential.

Bolton Music Service is the lead partner in the Greater Manchester Music Hub.

- The chance to become a member of Bolton Music Centre - where your child can join bands, choirs and orchestras each week according to their instrument and standard
- An opportunity to be entered for Trinity music examinations (Grades 1-8)

→ For Parents, the opportunity to combine payments into one monthly Direct Debit over 9 months

We provide a place where parents can wait during the evening but do not allow parents to sit in the rehearsals with their children. All of our ensemble leaders/teachers have been subject to the usual DBS checks.
- ➔ We ask that you arrive just before the finish time so that you can collect your child as soon as the session has finished.
- ➔ Most of our ensembles have a concert uniform and you will be given information about this well in advance of the first concert.
- ➔ We encourage parents and friends to attend our concerts to support their children. For some you will need to purchase a ticket and for others a voluntary donation is requested.

## **'Music Service Direct' weekly lessons/Platinum Lessons and Saturday Music School**

1. Parents/carers and pupils are subject to the terms and conditions as laid down by BMS as detailed below, and agree to abide by these terms and conditions.
2. BMS reserves the right to change teaching personnel, lesson times and pupil groupings where necessary and to notify parents and schools of any changes to these lesson arrangements. We always work closely with the school to agree suitable lesson times.
3. Lessons will take place in school during the normal school day. If you have booked a shared lesson your child will be grouped according to experience and ability by the BMS teacher in groups of 2 to 3 pupils.
4. As soon as your registration for lessons has been accepted by us, we will confirm this by email. Once your child's lesson has been timetabled then you will receive an email to confirm the lesson day and time.
5. By registering online, you are agreeing to pay by Direct Debit, that you are the named account holder of the account to be debited and that no other signature apart from your own is required to authorise the setting up of Direct Debits on this account. If you cannot confirm this you can still set up a Direct Debit instruction, however you must contact us to have one sent to you in the post and this must be returned before you complete the Online application process. Payments by Direct Debit run from October - June over 9 months.
6. If for any reason you wish to cancel your child's lessons, notice must be provided direct to Bolton Music Service in writing (post or email) according to the cancellation dates below. We will be unable to accept cancellations via your child's teacher:  
BMS cancellation deadlines:  
**To stop lessons at the end of the Autumn term you must give written notice by 30th November**  
**To stop lessons at the end of the Spring term you must give written notice by 20th March.**
7. Teachers will deliver 32 lessons in the academic year. Any lessons missed by pupils cannot be refunded unless due to illness lasting for two weeks or more and accompanied by a doctor's note. Lessons not delivered by the teacher will be rearranged as necessary. If the teacher has not been available for 32 lessons during the year, a refund will be given at the end of the academic year for the missing lessons.
8. You will need to clear any outstanding debt you have with BMS before this direct debit commences. If however, you choose not to do this and we allocate a lesson to your child, then you are agreeing to any sums remaining on your account being added to your direct debit payments and these will be collected over the first three months.
9. Pupils are responsible for the safe keeping of their musical Instrument and Bolton Metropolitan Borough Council does not accept responsibility for any loss or damage to such instruments.

10. Progress reports will be provided via homework diaries, interim reports in the Spring Term and a full report at the end of the Summer Term. Parents/carers will also be invited to meet with BMS at our annual parents' evening.
