Inspiring the next generation

We are a Bolton-based charity that believes in music as a power for good in the lives of all children. Through our fundraising campaigns, we generate funds to support music education and engagement for young people, particularly for those who are experiencing significant barriers to accessing music opportunities. Please help us to make the power of music a reality for more young people.

The Gift of Music

The Gift of Music campaign aims to remove barriers to music education for young people.

Our goal is to ensure that all young musicians can continue their musical journey, regardless of their ability to pay.

At Trust Music we believe that every child has the right to a musical education, regardless of their financial circumstances and background. Since our launch in 2014 we have provided financial, pastoral and educational support to hundreds of children. Many more children have had additional opportunities through participation in our events and partner schemes
